## ***Why Do We Worship the Way We Do!***

As we learn more and more about our God we can't help but respond to Him through praise, worship, adoration, and thanksgiving. As we learn to give Him praise and worship we automatically grow closer to Him and our intimacy level grows. As our intimacy level grows our desire to give Him more praise & worship continues to increase. As this cycle continues in our life it helps establish peace, joy, love, patience, and healing in us.

*John 4:23 through John 4:24 (NIV) <sup>23</sup>Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth, for they are the kind of worshipers the Father seeks. <sup>24</sup>God is spirit, and his worshipers must worship in spirit and in truth."*

There are examples and verses in the Bible that help us to understand the proper way to give praise & worship to God that He will accept. As we seek to bring glory to God by praising Him it is important that we never make it a religious form or ritual. It must constantly be a "new" thing where we are thinking on God and thanking Him for who He is and what He has done in our lives.

## ***Our Goal In Worship!***

Our goal in worship is to meet God and have Him to inhabit His people with Glory!

*2 Chr. 5:13-14 (NIV) <sup>13</sup>The trumpeters and singers joined in unison, as with one voice, to give praise and thanks to the LORD. Accompanied by trumpets, cymbals and other instruments, they raised their voices in praise to the LORD and sang: "He is good; his love endures forever." Then the temple of the LORD was filled with a cloud, <sup>14</sup>and the priests could not perform their service because of the cloud, for the glory of the LORD filled the temple of God.*
